Doctors prescribed for her and bottle after bottle of medicine was used, but it did not do any good. She had such steady bearing down pains across the kidneys; dreadful headaches; spells of diztness so that at times she could scarcely get around; was always tired and arose in the morning unrefreshed, and weak, in fact her whole system seemed to do the least but of good. I was induced to try Doan's Kidney Pills and got a box at the Logan Drug Co., for her. She felt relief from the first few doses and continued them until two boxes had been taken.
